3. Secure two hair pins - you're ready to mow!

Lawn care just got easier.

Built tough with rugged steel construction, adjustable cutting heights, and anti-scalping wheels for a smooth cut.

Less time installing. More time mowing.

Easy Ride Over Deck

Built with robust steel, TYM Quick-Connect Mid-Mount Mowers attach and detach effortlessly—simply drive over the deck, secure with a few clips, and mow.

Simple, Adjustable Anti-Scalping Wheels

Easily adjust the wheel height with a simple pin system to achieve the optimal cutting height for a clean, precise cut.

Precision Belt Tension Adjustment

The tensioning device maintains proper tension throughout the mower body, ensuring smooth, consistent operation.

Fast-Adjust Discharge Chute Cover

The discharge chute cover is easy to operate with a convenient quick-release pin, allowing for fast and effortless adjustment.

Durable Steel Blades

Engineered with high-strength carbon steel blades for enhanced durability and long-lasting performance.

Optimized Gearbox Design

The spiral bevel gear reduces noise and heat for extended gearbox life, while aluminum die casting improves cooling and dimensional accuracy.
